PROFIT GUIDANCE FOR FIRST HALF YEAR ENDED 30 JUNE 2020

The Board of Directors (the “**Board**”) of Manufacturing Integration Technology Ltd (“**Company**”, and together with its subsidiaries, the “**Group**”) wishes to inform shareholders of the Company that based on an assessment of the Group’s unaudited financial results for the six months financial period ended 30 June 2020 (“**1H2020**”), the Board would like to advise that the Group is expecting to incur a net loss for 1H2020.

The net loss is attributable to the current weak global market for capital goods and the COVID-19 pandemic has impacted both the revenue as well as the backlog orders for the Group. Details of the Group’s financial performance will be disclosed when the Company announces its 1H2020 results by 14 August 2020.

Shareholders and investors are advised to exercise caution when dealing with the Company’s shares. Persons, who are in doubt of the action required, are advised to consult their stockbroker, bank manager, solicitor, accountant or other professional advisers.
